WORDS FROM THE CREATORS

It's already volume two of (Angel Diary)! We're so glad that our second book is out. When we first started working on Manhwa, we promised ourselves that we'd try to deliver the kind of books people wouldn't regret picking up. We feel we still have a long way to go, but we do try our best with each and every page!

-Kara (Artists)

(Angel Diary) has so many lovable characters! I think they're the cutest, too. On the other hand, people often say I have odd taste in comic book characters. So, maybe I don't know what I'm talking about.

-Yun-Hee Lee(Writer)
